Believe in the magic...

At Whimsical Press, we believe in the magic of textile printing. **Our goal is to bring creative minds together and unleash the enchanting process that brings designs to life.** Through our passion for quality and innovation, we strive to create magical pieces that inspire and captivate. Join us on this Whimsical journey and experience the limitless possibilities of textile printing. **Let your imagination run wild and let us turn your visions into reality.**

Discover the enchantment of textile printing at Whimsical Press. Our **pigment printing** technique breathes life into **natural fabrics**, illuminating their **woven texture** with **vibrant colours**.

Our meticulously **cured pigment** prints ensure long-lasting, **fade-resistant** designs. Whether it's summer-weight cottons, linens, **durable** canvas for fashion accessories, or stretched **art prints**, our magical process elevates the beauty of your **fashion** and **décor** fabrics.

Price

Print only price **per meter on your own natural fabric**, including fabric coating.

1-5 meters		R300
4-49 meters		R270
50+ meters		R245

In collaboration with nature, we adorn natural fabrics with vibrant and colourfast pigments. Let your ideas come to life as we transform ordinary fabrics into extraordinary works of art.
